Candidate Biography:

---

I have now worked in Banking and Finance for 20+ years, currently working in the Economic Crime landscape.

Myself and my partner are Viking Cat Club members and have 7 cats – a mixture of Maine Coons and American Curls – and enjoy showing at the various clubs shows.

Prior to undertaking the role of Treasurer, which is my current role, I was Show Commission Chair and Deputy Vice President.

I think that the professional role that I undertake on a daily basis and the awareness that I have of the processes within Felis Britannica put me in a good position to continue to fulfil the role of Treasurer for the organisation for the next two years.
