

Margaret Scott, standing for re-elected for the position of **Felis Britannica Registrar**.

So, this is me!

I have held the office of Registrar since 2013, can't believe it's been so very long, and I'm still learning. Before I took office, I was Pedigree Secretary for The Viking Cat Club for several years and have also been the acting FB treasurer for a period. I support the shows, when I can, working away quietly (mostly), in secretariat.

In a previous life I worked for Barclays Bank originally in our home area of Lancashire & then moving to Surrey, leaving in 1988, to take over the running of a Post Office in Northampton, until our retirement in June 2022 (5 years too late).

I should now have more time to devote to the Registrar's desk, if re-elected, but we'll see!
