

## **Stacey Edwards**

### **Background**

There has never been a time in my life where I have not been owned by several felines. As a teenager I always wanted a Siamese and as soon as I moved out I purchased my first boy from a local breeder in Lincolnshire (Janet Tarbox - Tijanmeek) I found out about the world of showing. Sadly at the time I couldn't drive but always shelved the idea of showing in the back of my mind until my circumstances changed. In 2012 I purchased my first show boy, a foreign white, and ventured onto the GCCF show circuit. My biggest successes were with my Oriental Hemlock Alfredo Ferrari who was awarded Supreme Neuter and Reserve Supreme Exhibit in 2016. In 2018 I was introduced to TICA when my tastes in slinky cats changed to the Peterbald persuasion and then subsequently Cornish. I then tried FiFe in 2022.

### **Experience**

Although I do not have any prior committee experience I am happy to learn as long as I am given guidance and support - I do not have a preference to role and I'm happy to undertake whatever I'm deemed most suitable for. My day job is in enforcement for a Council which means I am very organised and good at keeping records.
