

Important notice

Saturday 20th February

Dear Members,

Our Litter Registration forms and Import Forms have been updated and revised.

You will find attached the new documents for your use; there are both Word and PDF versions so that you may use whichever you prefer.

Each document is two pages, so please do ensure that you have at least read the notes on page two of each form and preferably print it off to use as a checksheet. This means that information is less likely to be omitted and makes the process more streamlined, not to mention our Pedigree Checkers life much easier

Please note these forms must be used with immediate effect.

With kind regards,

Sarah Johnson
Acting Club Secretary
Viking Cat Club
(Member club of Felis Britannica - FIFe)
