17th February 2021

Dear Members,

After a great deal of consideration, the Executive Committee regrets to announce that the Annual General Assembly will not take place on its usual date in February 2021

We would have preferred to have had a meeting but in the current circumstances it is not possible to do this. The Committee has considered whether it is possible to hold the meeting electronically, however because of the need to vote confidentially for Commission places, we have been unable to find a suitable method for this to be possible.

We are not aware of any proposals which are pending from any of our Clubs and so there is no pressing need for the meeting to happen in the immediate future. For information, the current Officers and members of all the Commissions will remain in post for a further year and elections will recommence in 2022 when we hope we can hold a meeting again.

Kind Regards,

Gem Chapman

General Secretary
Felis Britannica

For and on behalf of the Executive Committee.
