Felis Britannica Breeding and Registration Rules

3.2.2

If the breeder does not have a cattery name registered with FIFe, each kitten will be given a Felis Britannica administrative prefix. If the breeder does not hold a cattery name, a maximum of two litters may be registered using an administrative prefix as determined by Felis Britannica. The breeder must apply for a FIFe cattery name before breeding a third and subsequent litter.

3.2.11

All offspring of FB registered queens must be registered with FB, by the age of 8 months.

FIFe Breeding and Registration Rules

2.3.3 Kittens

Kittens must not go to a new owner (home) before they are 12 weeks old and have been fully vaccinated against feline panleucopenia, feline calici virus and feline herpes virus, unless otherwise advised by a veterinarian. (Homeopathic vaccinations are not accepted)

3.3 Queens

Queens must not have more than three litters in twenty-four months except with the prior written approval of a veterinarian and/or the FIFe Member.

A queen which requires repeated caesarean sections must not be used for further breeding.

A queen may not be allowed to be mated by a second male within 3 weeks of the previous mating.
